IMPORTANT NOTES:

1. Unless otherwise noted, all units to come with lamp, c-clamp, safety cable and black color frame.
2. All hardware, perishables, cable lengths and power distribution requirements as per electrician.
3. Absolutely no substitutions without written permission of Designer.
4. Any revisions or substitutions must be fully disclosed.
5. Shop assumes responsibility for any additional materials that are required on site due to rental shop oversight or error.
6. All PAR cans to have interior protective screening.
7. Color scrolls to be made and loaded by shop. A list of required colors will be provided.

REVISION SUMMARY

Only lines with changed counts or explicit revision actions are listed here.
